

VICTOR HARBOR CROQUET CLUB

NEWSLETTER May 2025

VOLUME 31

ISSUE 5

*From the
President,
Shirley Howlett*

A number of topics were raised at our recent Management Committee meeting, and input from members would assist decision making.

Firstly, fund raising. We have spent quite a lot of money in recent weeks and although our finances remain reasonable, some more fundraising ideas should be discussed. Our best fundraisers at the moment are the two tournaments and the Bunnings Sausage sizzles. When I joined the club about 12 years ago quiz nights and soup lunches raised some money.

What ideas do you have? (The suggestion box is for your convenience.)

Secondly time slots for GC play. It has been suggested that **GC play start at 9am all year round.** Perhaps if you live in Goolwa or Yankalilla this wouldn't be popular. What do you think? Often, especially when it's a beautiful day, four or five players have to stand out during the 9am and 10am games. **The third time slot (10.55am) and fourth (11.40am) are seldom full. Maybe some of you could come later and play in the later sessions.** Frank will be happy to discuss this or other ideas with you.

Thirdly, the garden. A meeting is being held on **Wednesday 28th at 12 noon** to talk about planting of appropriate plants, disposal of green waste etc. Please attend if you've volunteered for one of the garden areas or if you would like some more information before committing.

Lastly club room cleaning. It appears that the monthly cleaning roster is not really working. Some people do their bit, but the bigger tasks don't seem to happen. Understandable, as not many of us are spring chickens.

If we employed someone each month our annual subscription would have to be a small increased.

If there is a member who is interested in doing the cleaning on a regular basis, talk to our secretary **Helen** or to any other committee member. Alternatively, a written suggestion in our club room Suggestion Box.

Looking forward to hearing ideas about these topics!

Shirley
